**Re: Rob Wells and Sixteenfifty Brand Strategy, Creative & Design**

To Whom It May Concern:

This letter is written to introduce you to Rob Wells and his company, Sixteenfifty. As the Chairman of the Board and Chief Executive Officer of Station Casinos, Inc., I have worked closely with Rob for nearly five years. Rob and his group are a bit hard to define, but, in short, he is one of the most creative people I've ever met. To say that Rob is a free-thinker who approaches every challenge from a non-traditional direction is an understatement.

More specifically, Rob has been an integral part of the creative growth of our company. Over the past several years he has been responsible for most of the creative materials associated with the launching our two newest resort hotel/casinos, Red Rock Resort, Casino & Spa and Aliante Station Casino + Hotel, as well as a multitude of internal projects. Rob has also been embraced at the most senior levels of our company and is trusted with complex and strategic branding and marketing initiatives. No task is too big or too small for Rob and his team. From overall corporate creative strategy to motivating individual team members, Rob has taken on every task and succeeded beautifully.

I unreservedly recommend Rob and his team for any of your brand strategy or creative needs. Rob is a friend and we are proud of the work he has done.

Sincerely,
